

2017/2018 FRAN CRIPPEN ELEVATION FOUNDATION "WORK THE DREAM" GRANT

OVERVIEW

****Note:** This grant is for a total of \$12,000**

Fran believed that sport has the power to transcend barriers, both those between people and those within oneself. No dream was too big for Fran, and he believed that there was no barrier that could not be overcome, including one so often faced by elite swimmers striving to achieve their goals: **funding**.

Like many elite athletes, Fran's approach to training required the utmost dedication, which all but precluded him from working a traditional job. The Crippen family did everything they could to support Fran and his three sisters in their swimming careers, but innumerable others also chipped in to help in many different ways. From the financial aid office at Germantown Academy to the long lines of alumni who endowed his University of Virginia scholarship, from intercollegiate grants to USA Swimming stipends, and from the teams that offered him flexible employment opportunities to the families that gave him places to live, Fran truly was raised by the "village" that is the international swimming community. He was ever aware of the generosity that others showed him and he considered himself blessed every step of the way. As part of his effort to repay the swimming community that so generously supported him, Fran dedicated himself to being an ambassador of the sport and to being of service whenever the opportunity arose. In his thank-you letter to the family that hosted him the year before Olympic Trials in 2008, Fran explained his intention to return the favor of their generosity and hospitality by paying it forward to other athletes achieve their goals.

In that spirit, the Fran Crippen Elevation Foundation is soliciting applications for the *Work the Dream Grant*. This grant is intended for men and women who are struggling to find sufficient financial support to help them pursue their dreams to the best of their abilities. The FCEF hopes to support swimmers who embody Fran's dedication to all aspects of the sport. **The Grant will be in the amount of \$12,000 which will be periodically paid to the athlete between November 2017 and July 2018.**

Along with your application, please submit an **essay**. The ideal "Work the Dream" grant recipient is a leader both in and out of the pool. Please help us get to know you by answering the 3 below questions. (Note: Essays are limited to 3,000 words and must be submitted as a PDF file)

1. Explain how, over the course of your career, you have been an advocate for the sport of swimming. Examples can include, but are not limited to: being an advocate for water safety, national/international camaraderie, or youth swimming.
2. If you had been the grant recipient the previous year, what would that money afforded you the opportunity to do that you did not have the means to do at the time?
3. Why do you feel you are an ideal representative for the Fran Crippen Elevation Foundation?
